

Missing Courses

- Look under “My Courses” to find your course links. If you have extra tabs, click on them (for example, Student, Teleclass). Courses for which you are registered may appear under different tabs.
- Click on any “+” boxes to the left of a department name or semester.
- If you still don’t see your course, check the starting date of the course. It may be a mini-semester course or is not yet active.
