

The Baxter M. Hood Center

“The Premier Meeting & Conference
Facility in the Carolinas”

Facility Layout and Specifications

Barnes Theatre- The Barnes Theater is a multimedia presentation theater that seats up to 200. An array of audio visual equipment is available such as an LCD projector, wireless mics, robotic video cameras, satellite downlink capabilities, videoconferencing, and more. Our highly trained, professional staff is here to assist you in making your event a success.

Seating Capacity: *Classroom Style 200*

Bowater- The Bowater Room is designed with the presenter in mind. The configuration allows the facilitator to move about the room freely and interact with the participants. In addition to an excellent room, high speed network and wireless Internet connections are available at no extra charge.

Seating Capacity: *Classroom Style 35*

Bridges, Palmetto, Rockwell, Magnolia, Morton, and Willamette Rooms are of equal size and allow our clients to have individual breakout rooms for their event. Each room has an individual, integrated sound system with separate lighting controls, and high speed wired/wireless connections.

Seating Capacity:

Classroom Style 32

Banquet Style 50

Theater Style 65

Campbell- The Campbell Room is ideal for small meetings, planning sessions, and training. The large table and comfortable chairs creates a board room atmosphere that encourages individual participation.

Seating Capacity: 16

Dalton- The Dalton Room is a perfect choice for small meetings and training sessions. The U-Shape room with executive conference chairs is designed for comfort of the participants and the facilitator.

Seating Capacity: *Classroom Style 22*

Digital- The Digital Room is a 17 PC computer lab featuring the latest in computer technology. The instructor's computer is displayed on an LCD projector allowing the students to follow along. Each PC is networked and connected to the Internet, via a high-speed connection.

Seating Capacity: *Classroom Style 17*

Hoechst-Celanese- The Hoechst Celanese Ballroom can be combined with the six adjacent rooms to create a flexible, spacious room for banquets for up to 550 people. When separated, this room can serve as meeting or banquet space.

Seating Capacity (Hoechst Celanese only):

Banquet Style 250

Classroom Style 200

Theater Style 350

Lobby- The Lobby of the Hood Center is a great place for registration space, reception area, or pre-conference staging.

Kimbrell Hall- Kimbrell Hall is designed to support tradeshow, exhibits, and equipment shows. The floor is a re-enforced concrete that will support heavy equipment and a large access door allows entrance of a forklift.

Seating Capacity:

Classroom Style 120

Banquet Style 160

Theater Style 225

2,500 sq. ft. of exhibition space

Schumacher- The Schumacher Room is the executive boardroom of the Baxter M. Hood Center. In addition to the beautiful decor, this room features 2 50" plasma screens to add impact to any presentation. Also integrated into the room is a computer with high speed Internet, DVD/VHS player, and high definition cable receiver.

Seating Capacity: 16

Thermalkem- The Thermalkem Room is a versatile room capable of accommodating small to medium size groups. The Thermalkem Room may be setup in classroom style, banquet style, and theater style.

Seating Capacity:

Classroom Style 32

Theater Style 65

Banquet Style 50

Video Conference- The Videoconference Room at the Baxter M. Hood Center features the latest in videoconferencing technology. Our H.323 standards based system is compatible with thousands of sites all over the world. An LCD projector, computer with high speed Internet, document camera, and a VCR are integrated into the system.

Seating Capacity: *Classroom Style 12*
