

Frequently Asked Questions

How is tuition paid?

Some school districts will cover the cost of tuition. Oftentimes, the responsibility for payment lies with the student. Lottery Tuition Assistance is available for students taking six or more credit hours.

Where can I take classes?

Classes are offered at YTC's main campus, the off campus centers in Indian Land and Chester, as well as, online and at certain high schools.

How long does a Dual Enrollment class last?

YTC's Fall and Spring semesters last for 16 weeks. Fall semester begins in late August and ends in mid-December. Spring semester begins in early January and ends in early May. There are also summer and minimester sessions. Students are expected to adhere to the YTC academic calendar.

Can I take any class offered?

As with all YTC classes, students may enroll in any class as long as they meet the requirements for all prerequisites and it is not a Limited Enrollment Program. Students should consider their high school schedule and future interests before enrolling in any class.

How do I know if my classes will transfer?

Students should contact the institution to which they intend to transfer to make sure the credits will transfer. Courses apply toward specific programs at York Technical College and other technical colleges in South Carolina. Many courses may transfer to other two-year and four-year public institutions in South Carolina according to the "Statewide Articulation Agreement: Technical College Courses Transferable to Public Institutions." Transfer information is also available at SC TRAC (<https://www.sctrac.org/>).

How many classes can I take at once?

It is important to base course load on several factors, such as extracurricular activities, comfort level, etc. Most students take 6 to 15 credit hours per semester depending on the goals and abilities. The minimum number of credits for LTA is six.

Course List

This list includes popular Dual Enrollment course selections, but is not all inclusive.

ACC	111	Accounting Concepts
AHS	117	The Care of Patients
AHS	120	Responding to Emergencies
ART	101	Art History & Appreciation
ARV	123	Composition & Color
ARV	219	Multimedia Techniques
AST	101	Solar System Astronomy
BCT	106	Basic Woodworking
BIO	101	Biological Science I
BIO	210	Anatomy & Physiology I
BUS	101	Introduction to Business
COL	101	College Orientation
COL	103	College Skills
CPT	101	Introduction to Computers
CPT	170	Microcomputer Applications
CRJ	101	Introduction to Criminal Justice
CRJ	110	Police Patrol
CRJ	115	Criminal Law I
CRJ	202	Criminalistics
ECO	210	Macroeconomics
ECO	211	Microeconomics
ENG	101	English Composition I
ENG	102	English Composition II
FRE	101	Elementary French I
GER	101	Elementary German I
HIS	101	Western Civilization to 1689
HIS	102	Western Civilization Post 1689
HIS	201	American History: Discovery to 1877
HIS	202	American History: 1877 to Present
HSS	205	Technology & Society
MAT	101	Beginning Algebra
MAT	102	Intermediate Algebra
MAT	103	Quantitative Reasoning
MAT	110	College Algebra
MAT	111	College Trigonometry
PSY	201	General Psychology
SOC	101	Introduction to Sociology
WLD	104	Gas Welding & Cutting
WLD	111	ARC Welding I
WLD	113	ARC Welding II
